### PERSONAL STATEMENT

---

I am a versatile frontend developer with over three years of experience building responsive websites and applications that drive business growth and improve user experience. I am motivated by the desire to make a difference, and I enjoy contributing to the development of solutions to our daily challenges. I hope to work in an atmosphere where others share this same excitement.

### PROFESSIONAL EXPERIENCE

---

#### PIGGYVEST, LAGOS, NIGERIA

May '21 - Date

##### Frontend Developer

- Improved user experience, accessibility and page load time by redesigning the [PiggyVest Website](#) using Next.js
- Simplified and Improved the website's content management system and SEO using Strapi CMS and GraphQL to fetch data.
- Fixed bugs as well as implemented new features and designs on the admin dashboard using Vue.js

#### SOFTCOM LIMITED, LAGOS, NIGERIA

May '20 - May '21
